

How do I sign up with VIPS & log my hours?

(Volunteers in Public Schools)

It is mandatory that all volunteers on campus are approved as a VIP volunteer BEFORE volunteering.

How do I sign up?

- From www.hayscisid.net choose **Community> Become a Hays CISD volunteer**. Follow the prompts given to complete the application.
- Our VIPS coordinator is Ms. Conder. When you visit the band hall, please see her immediately to get a name badge. Bring your driver's license in for her to see.

How do I log my volunteer hours?

- First of all, why log my hours? Because the district keeps track of how many hours our volunteers give to the school. This helps to support the health of the program by documenting volunteer support. AND, many grant applications require documentation of volunteer support! That means more funds to educate and support our students!
- Go to www.hayscisid.net
- Choose the "community" tab
- Click on "become a Hays CISD volunteer"
- Click on "VIPs Rewards"
- Click on "Log your VIPs Hours (volunteers)" and log in
- Click on the drop down menu on the left –"volunteer"
- For the first time, take a moment and create your profile of affiliations, preferences, background and opportunities.
- Finally, and in the future.....just click on "opportunities" and you can quickly log your time.
