SNACKS:

You are permitted to bring snack items with you for your room, but we ask you to follow these guidelines:

- Your roommates may have allergies to which you are unaware. Please bring only food items that are individually sealed & packaged, and consider bringing nut-free items.
- There are no refrigerators. Anything you bring will need to be kept at room temp.
- The rooms are small and there is not a lot of extra storage space to store food. Bring only what you really need.
- Consider refillable water bottles rather than a case of water.
- You cannot bring food from your room to the cafeteria. It is against health regulations.
