ABOUT OUR CAMPS

These camps are designed to be comprehensive, so failure to attend a camp may result in a student falling behind in instruction.

The more camps the students attend, the more they will learn and give the Directors opportunities to accurately place them in the ensemble.

FINAL PLACEMENTS

Final section placements (Batterie/Front Ensemble) will be announced on March 29. It is important to note that every member of the Hays percussion program will be placed in a role for the fall 2026 season.

SPRING BAND CAMP

All Percussion students will be required to attend this year's Spring Band Camp which is held May 13th - May 15th. Please plan accordingly. For more information about our camps, please visit www.haysbands.org/percussion

SUMMER PERCUSSION CAMP

All Percussion students will be required to attend the summer percussion camp the week prior to the full band camp. This camp will run the week of July 20th-24th. More details will be shared during the spring band camp parent meeting schedule May 15th - 6:30pm (HHS Band Hall)
